Caring and Sharing*

TERM 3
WEEK 3

NO SCHOOL TOMORROW AND MONDAY

On Thursday the 22nd of August Room 4 will be having a Plastic Sculpture and Garden Challenge Day. They are planning to renovate the trash sculptures in the walkway... jellyfish, starfish, whale and sea trash lady. They also want to build a plastic bottle mountain feature and a couple of life-sized plastic bottle people. ALSO they will be re-building the sprout man and bottle herb wall. There are also great plans afoot for a water feature and a diorama. As you can imagine this is going to take a lot of time and effort so if you are interested in helping in any way next Thursday we would really appreciate it! Karen has a list of 'stuff' needed so if you think you might have a couple of items to donate that would be great!

**WE ARE SEARCHING FOR
NORTHLAND'S HOTTEST
JUNIOR CHEF!**

COMING SOON!!

The second week of Clubs went really well. It is lovely to see so many groups of children, teachers and parents enjoying themselves. They are leaning some neat things too, like patchwork, sewing, mosaic art and lots more! Thank you to everyone who comes along to help out. We are all very appreciative.

OPUA SCHOOL

NETBALL

Playing tonight. Refoer to the kerikerinetballcentre.co.nz website for the draw.

Science Fair

The pupils of Room 5 have been working furiously on their science fair entries and they are amazing! They have all done a really great job! With the help of Clare Dorans they have learned the scientific process of investigation. Aim, prediction, equipment, variables, data collection/ collation, controls, results, conclusions.

They all look very professional. The entries will be judged on Tuesday the 14th and we will enter our winners in the Top Energy Regional Science Fair

MOVIE NIGHT

The PTA are going to run another Movie Night. YAY!!
