Today your child(ren) has been given an envelope for pre-ordering school photos. If you require a sibling order form, please see Maree at the school office for one.

Photolife Studios have taken our school photos for the last few years and they always turn out lovely and they are a reasonable price.

Please fill in the envelopes and return them to school before Monday the 10th of September.

We need the correct amount of money in the envelopes please. No change is given. Full payment can be put into one student's envelope with a note on the other for referral, eg 'money in Bob's Envelope - Room 6.' If you have any queries please speak to Maree.

THANK YOU

Opua School would like to thank Charlotte Scott and Olivia for providing some beautiful flowers/plants to beautify the school entrance. They, along with help from Josephine R, planted the small garden below the mural and they really look lovely.

Opua School would also like to thank Hannah Evans, Gabi and Libby's mummy, who has been giving us a lot of her time and expertise in the gardens. She has been working with Ms Halse and the gardening children showing them the difference between weeds and plants as well as planting some new plants for Spring/Summer.
