## Crossing the Road

Please remember to make use of the pedestrian crossing when dropping off and collecting your children.

The road is always quite busy and we must all lead by example when it comes to road safety.

Thank You.

On Saturday, Bay Cosmos 12th grade came up against old foes Kaikohe Phoenix, who were seeking revenge for their defeat in the Division 2 Grand Final last year... On that occasion, Cosmos won 3-2 in muddy conditions, and this again was a match played largely underwater.

First half honours went to Kaikohe, who scored twice with some crafty puddle-play; however, an excellent goal from Vincent, played off some awesome running and passing by Hunter, kept Cosmos spirits high (if damp). In a bold move at half-time, coach Kelly Stratford decided to move Vaden to goal and goalkeeper Raffy to midfield, and with this new more penetrative formation Cosmos dominated the second half.

Kaikohe

defended

with

increasing

desperation,

and close

to the end,

Hunter was

dramatically

brought

down in the

penalty box

just as he seemed certain to score. The ref awarded a penalty kick and Hunter sent the ball swerving into the net, but Kaikohe protested as Vincent had placed the ball for him. Hunter retook the penalty, and to riotous cheering from ecstatic and very wet supporters, drove the ball straight back in. Exceptional nerve from him under pressure!

Kaikohe tried to protest again about ball placement, but the ref was having none of it. Final score: Bay Cosmos 2: Kaikohe Phoenix 2. A lot of new players in the Cosmos team, so a fantastic effort! Cosmos are now the only non-Kerikeri team in the top five.
